Kandjerramalh language

Kandjerramalh (Kenderramalh), also known as **Pungupungu** or **Kuwema** (Kuwama), is an Australian Aboriginal language from the Northern Territory in Australia. Apart from being closely related to Wadjiginy, it is not known to be related to any other language.[1]

The alternative names are ambiguous. "Kuwema" is also a name of the Tyaraity dialect of Malak-Malak, and "Pungupungu" is now used as a name of Malak-Malak proper.
